The accompanying copy of letter No. 724, dated the 15th July 1931, from the Consul-General for Belgium to the Government of India in the Foreign and Political Department together with copy of its enclosure is published for general information.

Copy of a letter No. 724, *dated Calcutta, the* 15*th July*, 1931, *from the Consul-General for Belgium at Calcutta to the Secretary to the Government of India in the Foreign and Political Department, Simla.*

As you are aware holders of British Passports are admitted in Belgium without being required that a Belgium Consular visa be obtained on their passports before leaving their usual place of residence.

Owing to the abnormal circumstances arising out of the world economic crisis, it has been deemed necessary to take special measures to prevent the Belgium labour market to be overflooded by foreigners in quest of work.

The rules which have been decided upon are laid down in a Belgium Arrette Royal dated the 15th December 1930, and which has been enforced from the 15th March 1931. A copy is enclosed for your information.

In short the principle is as follows :—No foreigner is admitted in Belgium to work as a manual labourer or as a Clerk or an employee unless he has been granted a previous authorization to the same by the Belgian Ministre de la Justice.

The authorization is given in the form of a blue card styled "Permis de penetrer dans le Royaumo pour less travaillo manuols on intellectuels." This card must be produced on entering the realm together with the passport.

Applications for the said "Permis" must be made through the Belgian Consulate in whose jurisdiction the applicant resides and the delay for obtaining the same, if granted, will be about two months.

I have been directed by my Government to bring the above rules to your cognizance.

Royal decree, dated Brussels, the 15th December 1930.

In view of Articles 9 and 12 of the decree of the 23rd Messidor of the third year, we have decreed and decree:—

Article 1.—Without prejudice to the provisions which govern passports foreigners will not be admitted into Belgium to work as manual labourers or employees, unless they have been granted a previous authorization to this effect by the Ministre de la Justice.

Article 2.—Applications for the said authorisation should be made to the Minister for Foreign Affairs through the Belgium Consulate in whose jurisdiction the applicant resides.

Article 3.—The application must be accompanied by an agreement for work or service with an employer established in Belgium a medical certificate from an approved physician; a certificate of good character not more than three months' old, accompanied, if necessary by a Police record for the last five years with a translation into one of our national languages.

The agreement must have the concurrence of the Ministre de l'Industrie, du Travail et du la prevoyance.

Article 4.—The authorization will be transmitted to the applicant through the Belgian Consulate in whose jurisdiction the applicant resides.

Article 5.—A report on the application or the present decree will be made annually to the Council of Ministers.

Article 6.—The Ministere, de l'Industrie, du Travail et de la Prevoyance Social and the Minister for Foreign affairs will give effect to the present decree, each within his own province.

By Order,

H. V. RAMASWAMI,

General Secretary to Government.

1. Any person claiming a right to collect and remove myrabolam from Inam lands or private holdings shall apply in writing to the Amildar of the Taluk in which such lands are situate, who will thereupon refer it to the Revenue Inspector of the Hobli concerned for local inspection and submission of a report. On receipt of the application from the Amildar, the Revenue Inspector will issue notices to the applicant, the Inamdar or occupant of the holding concerned as also to the lessee, who has purchased the right to collect and remove myrabolams from the adjoining Government lands or his accredited agent should there be any in the locality or thereabouts, specifying therein the date and hour of his local inspection of the locality in question. After due service of the notices on the aforesaid parties, the Revenue Inspector shall convene on the said day at the appointed time a "Panchayet" consisting of the village officials, two or more respectable inhabitants of the locality, the Inamdar concerned or the occupant of the holding, the applicant and the Government lessee (or his accredited agent) should the latter two care to be present and inspect all the lands setforth in the application and ascertain as accurately as possible the probable quantity of the produce to be derived from the said lands. A Mahazar shall then be drawn up embodying therein result of such inspection and the same will then be signed by all those present. The Revenue Inspector shall thereupon send up a report to the Taluk Amildar together with the Mahazar referred to.

2. The Amildar shall thereafter grant permission to the applicant in writing for the collection of the produce who shall, after the collection is completed, report the matter to the Amildar together with a certificate obtained from the Village Patel regarding the actual quantity of the produce collected and await the Amildar's permission for its transport. Complaints, if any, of the Government lessee or his agent shall then be heard by the Amildar, who shall after satisfying himself that no fraud has been committed, issue a free permit for transport of the produce collected by the applicant.

3. Every such applicant shall be bound to take out permits from the Taluk Amildar concerned in the manner indicated above both for collecting as well as for transporting the produce from the Inam lands or private holdings, and failure to do so will amount to an infringement of these rules and the person so infringing the rules shall be liable to be punished with imprisonment for a term which may extend to one month or fine which may extend to two hundred rupees or both under section 18 of the Regulation.

4. Should there be any collusion on the part of the village Patel, the Government lessee or his agent is at liberty to bring the matter to the notice of the Amildar, who if satisfied that the allegation is well founded, will immediate notice of the conduct of such Patel.
